About Our Camp

The Manor Montessori School has been serving families in the Washington area for over sixty-three years. Our camp combines use of Montessori apparatus to reinforce lessons taught during the school year with the fun of arts and crafts, music, movement, virtual field trips, and outdoor activities such as water play, sports and zumba.

Parents provide
non-perishable
snacks and
lunch from
home.

Toddler Program

The Toddler program is for 2-year-old children. This program is available half day or full day, with before care and after care provided at all locations. Children do not need to be potty trained. The toddler program is led by experienced teachers and is specifically designed for the two-year-old child, as their first school experience. Parents provide diapers and wipes from home.

Primary Program

The Primary program is for children ages 3-7 at Potomac and 3-6 at Rockville and Bethesda. Primary children must be potty trained. This program is available half day or full day, with before care and after care provided at all locations.
